We appreciate your patience whilst we upgrade our website and app.

We have worked hard to find a way to ensure that you can still get your orders delivered to different locations during this transition.

We know it is not a perfect solution, but please rest assured that this will only last for a few weeks. Again, apologies for the disruption from the whole Morrisons.com Team.

It's easier to order on our Morrisons Groceries apps.

While we update our website and migrate your addresses, the easiest way to order is through both the green and white Morrisons Groceries apps.

Delivery slots for one or more of your addresses will show as available in one app, while your other addresses will show in the other app.

You can log in to each app using the same details. All your favourite items and payment details will be saved on both apps.

Choosing your desired delivery address

You can now place Home Delivery orders to some postcodes via our Click & Collect site.

However, you will still need to place orders to some postcodes via the Home Delivery site.

Once we finish our postcode migration, all Home Delivery orders to any address & Click & Collect orders will be processed through the same website.

The screenshot shows the Morrisons website interface. At the top left is the Morrisons logo. Below it, a text block reads: "You're now able to choose from either Home Delivery or Click & Collect. Click & Collect is offered through a separate website, but don't worry you can click below and use the same account. Before selecting, please read the important information below." Below this text are two side-by-side boxes. The left box is titled "Home Delivery" and contains the text "Choose a date and time slot to have your shopping delivered directly to your door." Below this text is a green button labeled "Book a Delivery" and a link "Edit existing order". A black arrow points from the left towards the "Book a Delivery" button. The right box is titled "Click & Collect" and contains the text "Choose a collection slot that suits you, order your groceries online and head to your chosen store to collect them." Below this text is a green button labeled "Book a Collection" and a link "Edit existing order". A black arrow points from the right towards the "Book a Collection" button. Below these two boxes are two informational sections. The first is titled "Changing your delivery method" with a double-headed arrow icon and text: "Once you've placed your order, you won't be able to change your delivery method without cancelling your order and placing a new one." The second is titled "Product Availability" with a checkmark icon and text: "Please note that as orders are fulfilled differently according to the delivery method, you may notice a difference in product availability." At the bottom center of the screenshot, the text "Or click to continue." is displayed.

What to do if your delivery address isn't available on the website you selected.

If there are no delivery slots available for your address on your selected website, you will find slots available on our other site.

To move between our two sites, please log out and log back in to return to the Home Delivery and Click & Collect Page.

Alternatively, if you are on the Home Delivery site, you can click: "Can't find a Slot? Try Click and Collect" to move to our second site.

The screenshot shows the Morrisons website interface. At the top, there is a search bar with the text "Find a product" and a "GO" button. Below the search bar, there are navigation links for "Shop Groceries", "Favourites", "Regulars", "Offers", "Morrisons", "Recipes", "Delivery Pass", and "Price Match". The main content area is titled "CHOOSE a SLOT" and includes a sub-header "You're enjoying unlimited deliveries with our Morrisons Delivery Pass (Monthly membership)". Below this, there is a section for "Your delivery address" with the address "1, Park Cope, Horsforth, Leeds, United Kingdom, LS18 5UN". A "Calendar" button is visible, and a table of delivery slots is shown for the days Tuesday 21st May, Wednesday 22nd May, and Thursday 23rd May. The table lists time slots from 5:30 - 6:30am to 9:00 - 10:00am. A yellow box highlights a button that says "Can't find a slot? Try Click & Collect".
